

LUBE SrI considers the social aspect of the company and the responsibility that derives from it to be of great importance. The decision to adopt a **SA8000:2014** management system and then to certify it fits coherently into this path, representing a further element of strengthening the policies and objectives of social responsibility towards workers and helping to fuel the widespread sensitivity towards socially responsible business.

To this end, LUBE Srl intends to:

LUBE*

- increase the company's social responsibility through the assumption of specific commitments aimed at workers;
- ensure transparency in the management of human resources through new ways of involving workers;
- **control ethics and social correctness** in the chain of suppliers and contractors.

The expected benefits of this choice are:

- **increase the level of monitoring of risks** relating to compliance with social responsibility requirements (and the related Italian laws) in particular in the supply chain;
- always represent for its customers a reliable partner and committed to ensuring compliance with the principles of social responsibility and attention to quality and safety at work both of its employees and those of suppliers;
- further attention to equal opportunities and the enhancement of diversity;
- **opening** of a further **channel of dialogue** with workers, both towards individuals and towards trade union organisations.

LUBE Srl undertakes to:

- Comply with current national legislation, international conventions and recommendations, including the resolutions of international bodies such as the ILO - International Labor Organization and the ONU - United Nations Organization regarding all the requirements of the standard;
- Ban on the use of child labor (ILO Conventions 182, 138 and Recommendation 146);
- Ban on the use of forced labor (Conventions ILO 29 and 105);
- Respect the freedom of association and the right to collective bargaining (Convention ILO 87, 98, 135);
- Combat all forms of discrimination and unequal treatment (in recruitment, pay, access to training, career promotions, termination of employment or retirement) based on issues of ethnicity, territorial or social affiliation, nationality, religion, disability, gender, sexual preferences, family responsibilities union membership, political opinions and age or any other condition that could give rise to discrimination (ILO Convention 100, 111, 159, 169, 177, 181, 183);
- Condemn all illegal conduct likely to come into conflict with dignity or physical and/or moral integrity;

rev. 01

- Completely and impartially apply the national collective labor agreement to all employees, punctually paying the established salary and paying all the related social security, welfare and insurance contributions (ILO Convention 131);
- Respect the working hours to meet the needs of the workers (Convention ILO 1 and Raccomandation 116);
- Ensuring the protection of maternity and paternity, as well as of disadvantaged people (ILO Convention 183 and 159);
- Promote and improve the safety and physical and mental well-being of its employees through improvement and corrective actions (ILO Convention 102, 155 and Recommendation 164);
- Involve all suppliers of goods, activities and services and their commitment to social responsibility by complying with all the requirements of the reference standard;
- Develop and extend information, communication and training processes and promote dialogue with stakeholders to ensure efficient and effective implementation of the integrated business system.

LUBE Srl believes that all this can contribute in a decisive way to improve the general conditions of management and enhancement of human heritage and, to this end, is committed to reach all interested parties (employees, suppliers, customers, public opinion, trade unions, public authorities and NGOs) a strong message aimed at knowledge, compliance and enforcement of the requirements of the SA8000 standard.

To ensure that this Policy is understood, implemented and supported at all levels of the company and by all employees of the organization, the Management has implemented the following initiatives:

• Viewing of a copy of this Policy to all staff;

UBE*

- Publication on the company website (in Italian and English) to promote the vision of all interested parties;
- Training and meetings with all staff on social responsibility.

From time to time, at least every six months, the management assesses the continued suitability and adequacy of this social responsibility policy and verifies the achievement of the improvement objectives issued for the application of the above principles.
